Dear Holly,

THANK YOU!

Your recent gift to SMART in support of Tualatin Elementary is providing one-on-one reading and books to children who are on the path to developing a life-long love of reading. We are grateful to be your partner of choice in this work.

You are making a difference to so many children because SMART works! 95% of SMART students improve in literacy development throughout the year, and 96% meet or exceed grade-level benchmarks in reading motivation at the end of the program.

Thank you again for facilitating lasting moments of connection, joy and learning for the kids in SMART.

Sincerely,

Chris Otis,
Executive Director

P.S. Your gift supports SMART programs in Washington County.
